

**The Group's Vision:** To secure high quality services, in the most appropriate setting, making maximum use of available resources. Through clinical leadership and collaborative working we will achieve the best possible health outcomes for all our local population

### Our five strategic priorities:

- ❖ Planned, safe and effective care
- ❖ Long term conditions (LTC) integrated care
- ❖ Urgent care
- ❖ Vulnerable people
- ❖ Health and wellbeing

### We believe care should be:

- ❖ Patient focussed
- ❖ Clinically led
- ❖ High quality
- ❖ Affordable

### Our aims:

- ❖ To develop a strong and sustainable clinically-led commissioning group
- ❖ To use the resources we have to drive continuous improvement in service quality and patient outcomes
- ❖ To promote health and wellbeing for our population through a strong public health message, advocating self-care and embracing the Health and Wellbeing Strategy

### We will make a difference through:

- ❖ All 19 GP practices engaged in clinical commissioning through representation on the Council of Members
- ❖ Healthcare decisions led by clinicians in partnership with managers
- ❖ Collaborative working across practices
- ❖ Strengthening relationships and partnership work between organisations within the health and social care community, voluntary and community sector, and beyond

### Our values are:

- ❖ Respect and dignity
- ❖ Commitment to quality of care
- ❖ Compassion
- ❖ Improving lives
- ❖ Working together for patients
- ❖ Everyone counts
